

WILL POWER

ELECTRICAL LTD ENGINEERS & CONTRACTORS

uStrike

Willpower Electrical Ltd have recently carried out some work for uStrike.

uStrike are a new and modern ten-pin bowling alley based in Newtown, Mid – Wales, Willpower Electrical Ltd did a complete re-wire of the premises as it was been built, this included the fitting of lights, plug sockets, a new 3-phase supply for the machinery and a complete new fire alarm zone that was connected to the existing system.

The images above show uStrike after it was completed.

Please click the link on the portfolio main page to see our fire alarm document where more information can be found about the fire alarm system we fitted.

Also visit uStrike's website for more information, you can find their link on our links page.

We are here to help!
